Ok I signed the attached file, I think I'm technically supposed to send it to Mike after we have both signed it per how he wants things to go but just send it and cc me.

Thanks.

Dang, that's rough! Ok no worries. I sent Mike my signed eco screen yesterday but he hasn't had a chance to sign it yet anyway.

I would have said yes before the early dismissal but then it took me 2.5 hours to get home. I'm going to start to read it today and I think we can get it signed tomorrow.

Hi Eric,

Do you think you'll be able to sign this today? I know things got crazy with the early dismissal and the briefing tomorrow.

Hi Eric,

Thank you for your very thorough notes. I've updated the screen to incorporate some of your language and to include the highlighted sentence as well as the site specific deficiencies.
